Visitor policies & security information

To facilitate a smooth check-in, our security teams will welcome you at visitor security desks located on all BAE Systems campuses.

Please familiarize yourself with the following policies prior to your arrival.

- **Proof of citizenship/identification (birth certificate, passport, naturalization documents, VARs, clearance) is required for visitors to access BAE buildings**
- Visitors are issued security badges, which must be prominently displayed while inside BAE buildings
- BAE Systems employees will escort visitors at all times
- Customers, contractors and regular visitors who are U.S. citizens may request Non-Escort Badges through an application process – your host will be pleased to provide further details
- As part of our commitment to protecting our employees, intellectual property, business processes and sensitive customer information, we operate under strict security guidelines for people who work in or visit our facilities:
 - Smoking is not permitted on all BAE Systems campuses
 - All persons entering or exiting BAE Systems facilities are subject to inspection of their personal effects
 - Prohibited items include and are not limited to firearms, weapons, explosives and illegal narcotics
 - Unauthorized use of cameras and other recording devices is prohibited in our facilities
 - iPhones and other digital devices are not permitted during tours of the Fisher and Aerospace Manufacturing Centers
 - USB devices are not permitted/allowed for use with BAE Systems computer devices. If you will need to share files during your engagement, you are encouraged to send them in advance to your onsite POC

For questions, please contact aerosecurity@ballaerospace.com.

Facility tour guidelines

The following activities and items are prohibited in all BAE Systems facilities:
